

MOUNTAINVIEW CHRISTIAN SCHOOL

A place of Excellence, Grace, Transformation, Impact

We need your help and support during this critical season

Our story

Our Mission:

Mountainview partners with parents, sending agencies, the Christian community and churches to disciple and educate students in a Christ-centered environment at a reasonable cost

Mountainview Christian School began in 1981 in a small rented building with 3 teachers and 15 students with the purpose of providing excellent education to families of Christian Service workers who came to minister to the people of Indonesia. Since that humble beginning, Mountainview has grown to over 220 students with 33 teachers and 3 administrators but remains committed to its initial mission and vision. The campus now includes both elementary and secondary buildings, gymnasiums, fine-arts auditorium, and two dormitories. Our Christian Service families represent many areas of ministry throughout Indonesia, including education, church development, community development, relief and compassion efforts.

Our Need

Mountainview has a critical financial need to update our aging facilities and technology, as well as legally confirm the ownership of our land and buildings by the end of the 2020-21 academic year. Requirements from the Indonesian government have increased the urgency of this financial need.

The current COVID-19 global pandemic has worsened Mountainview's financial situation. We have experienced a significant loss in income (nearly 20%) and cut our budget substantially while sustaining the essential operations of our school. We reduced the salaries of all staff members, teachers and administration.

Would you consider helping us bridge the gap and continue the ministry of Mountainview?

Our GOAL

Mountainview hopes to raise \$200,000 by June 2021

The breakdown:

\$70,000—legal processing for MCS land ownership
\$50,000—facilities repair and renovation
\$20,000—technology updates
\$60,000—deficit caused by COVID 19—**FILLED by new enrollment for the 2020-21 school year**

We have already raised \$10,000 as of Sept 22, 2020. Praise God for his provision!

Remaining Need - \$130,000

Our Vision

Mountainview pursues academic excellence in a place of grace so that lives will be transformed by Christ to impact the world
