

SALATIGA—INDONESIA

2019–2020

Mission

We pursue academic excellence in a place of grace so that lives will be transformed by Christ to impact the world.

School

Mountainview Christian School (formerly Mountainview International Christian School) was founded in 1981 to serve the families of expatriates living in Indonesia, primarily those involved in the work of various service organizations. Mountainview is a K–12 boarding and day school with a current enrollment of approximately 230 students from a number of countries and backgrounds, with the largest number of representatives from the United States, South Korea and Indonesia.

Community

Mountainview is located in a beautiful, semi-rural area about one kilometer from the center of Salatiga, Indonesia. Salatiga is located central to the major cities and cultural centers of Yogyakarta, Solo, and Semarang, making the school 1.5–3 hours from three international airports.

Accreditation

Mountainview is fully accredited by the Association of Christian Schools International (ACSI), Western Association Schools and College (WASC) and Badan Akreditasi Nasional Indonesia.

Curriculum

The academic program is organized on a rotating block schedule. Students take six 85 minute block classes and two 50-minute classes. Students attend three block classes and the regular class daily. Block classes are year-long; each block class meets every other day. Block scheduling was instituted in 2012.

These AP® courses are offered: Calculus AB, Capstone, English Literature and Composition, and US History.

Technology

Campus wide WiFi access connects students and staff to a world of information. In addition, an investment in technology made every classroom a global connection point with projectors or TVs. Both elementary and secondary schools have computer labs that are equipped with the latest hardware and software.

Graduation requirements

Mountainview awards two types of diplomas:

Mountainview awards two types of diplomas to students who spend their entire senior year at the school.

- The Standard Diploma, which qualifies the graduate to apply for admission to a college or technical school in the United States.
- The Merit Diploma includes more challenging course requirements and is considered the college or university preparatory course of study. Students working toward the Merit Diploma must:
 - ✓ Earn a 3.0 cumulative grade point average or higher in grades 9-12
 - ✓ Not earn any F's on their report cards in grades 11 or 12.

Students with learning difficulties may make special arrangements with the school to earn a modified diploma. Following is the list of semesters and minimum credits required for each type of diploma.
